NOTICE IS HEREBY GIVEN that the annual meeting (the “Meeting”) of the holders (the “Shareholders”) of common shares (“Common Shares”) of KP Tissue Inc. (the “Corporation”) will be held at 3:00 p.m. (Eastern Time) on June 4, 2020 as a virtual-only meeting via live webcast online at <http://web.lumiagm.com/297479061> for the following purposes:

- (1) to receive the audited financial statements of the Corporation for the fiscal year ended December 31, 2019, together with the auditors’ report thereon;
- (2) to elect the directors of the Corporation who will serve until the next annual shareholders meeting or until their successors are appointed;
- (3) to appoint the auditors of the Corporation and to authorize the directors to fix their remuneration; and
- (4) to transact such other business as may properly be brought before the Meeting or any adjournment thereof.

Our Management Information Circular (the “Circular”) which accompanies this notice is your guide to the business to be considered at the Meeting. You should review the information in the Circular before voting.

The Corporation’s Board of Directors has fixed the close of business on April 15, 2020 as the record date for determining Shareholders entitled to receive notice of, and to vote at, the Meeting and any postponement or adjournment of the Meeting. No Shareholders becoming Shareholders of record after that time will be entitled to vote at the virtual Meeting, or any adjournment or postponement thereof.

Whether or not you expect to attend the Meeting, please exercise your right to vote.

Registered Shareholders (as this expression is defined in the Circular) are requested to complete, date, sign and return the form of proxy they receive. To be valid, the form of proxy must be signed and received by the proxy department of the Corporation’s transfer agent, TSX Trust Company, by mail at 100 Adelaide West, Suite 301, Toronto, Ontario M5H 4H1, by facsimile at 1-416-595-9593 or electronically at www.voteproxyonline.com not later than 3:00 p.m. (Eastern Time) on June 2, 2020, or if the Meeting is adjourned or postponed, no later than 48 hours prior to the adjourned or postponed Meeting. Failure to properly complete or deposit a proxy may result in its invalidation.

Non-Registered Shareholders (as this expression is defined in the Circular) are requested to complete the voting instruction form provided by their broker or intermediary in accordance with the instructions provided by their broker or intermediary. Please read the instructions regarding how to vote at, or attend, the virtual Meeting under “General Proxy Matters — Non-Registered Shareholders” in the Circular.

As described in the notice-and-access notification mailed to Shareholders, this Notice of Meeting and the Circular have been prepared and delivered to beneficial shareholders under the notice-and-access rules under National Instrument 54-101 — *Communications with Beneficial Owners of Securities of a Reporting Issuer* and National Instrument 51-102 — *Continuous Disclosure Obligations*. Accordingly, this Notice of Meeting and Circular have been posted online for our Shareholders to view on our website at www.KPTissueinc.com and on the website of our transfer agent, TSX Trust Company, at <https://docs.tsxtrust.com/2012>. They are also available on SEDAR at www.sedar.com. The use of this alternative means of delivery is more environmentally friendly as it will help reduce paper use and it will also reduce the Corporation's printing and mailing costs.

Shareholders who wish to receive paper copies of the Notice of Meeting and Circular may request copies from TSX Trust Company by calling toll-free at 1-866-600-5869. A Notice of Meeting and Circular will be sent to such Shareholders at no cost to them within three business days of their request, if such requests are made before the Meeting. To ensure you will receive paper copies in advance of the deadline to submit your vote, we estimate that your request must be received by 5:00 p.m. (Eastern Time) on May 26, 2020. If your request is made after the Meeting and within one year of the Circular being filed, the Corporation will mail the Circular to you within 10 calendar days of the request.

Dated at Mississauga, this 27th day of April, 2020.

By order of the Board of Directors,

(Signed) François Paroyan
General Counsel and Corporate Secretary

**KP TISSUE INC.
MANAGEMENT INFORMATION CIRCULAR**

This management information circular (the “Circular”) is furnished by management of KP Tissue Inc. (the “Corporation”) in connection with the solicitation of proxies for use at the annual meeting of shareholders (the “Meeting”) to be held on June 4, 2020 at 3:00 p.m. (Eastern Time) as a virtual-only meeting, or any postponements(s) or adjournment(s) thereof, for the purposes set forth in the notice of meeting (the “Notice of Meeting”).

Capitalized terms used in this Circular have the respective meanings set out in the “Glossary of Terms” which is attached as Appendix “A” to this Circular. Information in this Circular is given as at April 27, 2020 unless otherwise indicated.

No person has been authorized to give any information or to make any representation in connection with any other matters to be considered at the Meeting other than those contained in this Circular and, if given or made, any such information or representation must not be relied upon as having been authorized.

ABOUT THE CORPORATION AND KRUGER PRODUCTS L.P.

The Corporation was created to acquire, and its business is limited to holding, a limited partnership interest in Kruger Products L.P. (“KPLP”). The Corporation currently holds a 14.84% interest in KPLP. KPLP is Canada's leading manufacturer of quality tissue products for household, industrial and commercial use. KPLP serves the Canadian consumer market with such well-known brands as Cashmere®, Purex®, SpongeTowels®, Scotties® and White Swan®. In the U.S., KPLP manufactures the White Cloud® brand, as well as many private label products. The Away-From-Home division manufactures and distributes high-quality, cost-effective product solutions to a wide range of commercial and public entities. KPLP has approximately 2,500 employees and operates eight FSC® COC-certified (FSC® C-104904) production facilities in North America.

GENERAL PROXY MATTERS

As a Shareholder, it is very important that you read this information carefully and then vote your common shares of the Corporation (the “Common Shares”), either by proxy or voting instruction form or by attending the virtual Meeting.

Date, Time and Place of Meeting

The Meeting is scheduled to be held on June 4, 2020 at 3:00 p.m. (Eastern Time) as a virtual-only meeting for the purposes set forth in the Notice of Meeting. The Corporation reserves the right to adjourn or postpone the Meeting if considered appropriate by the Board of Directors of the Corporation (the “Board of Directors”).

Record Date

The Board of Directors has established the record date for the Meeting as the close of business on April 15, 2020 (the “Record Date”). Only Shareholders of record at the close of business on the Record Date will be entitled to notice of the Meeting or any adjournment or postponement thereof, and to vote at the Meeting. No Shareholders becoming Shareholders of record after that time will be entitled to vote at the Meeting, or any adjournment or postponement thereof.

Quorum

A quorum of Shareholders is present at a meeting of Shareholders if the holders of not less than 25% of the Common Shares entitled to vote at the Meeting are present at the virtual Meeting or represented by proxy, and at least two persons entitled to vote at the Meeting are actually present at the virtual Meeting.

Solicitation of Proxies

The information contained in this Circular is furnished in connection with the solicitation of proxies by and on behalf of the management of the Corporation to be used at the Meeting and for the purposes set forth in the Notice of Meeting. It is expected that the solicitation will be primarily by mail, but proxies may also be solicited personally by telephone or other electronic means by management of the Corporation, including its directors and officers. KPLP, which bears all of the ordinary course expenses of the Corporation pursuant to the Administration Agreement (as defined below), will bear the costs of the solicitation.

Notice-and-Access

“Notice-and-access” provisions have been adopted by the Canadian Securities Administrators under National Instrument 54-101 — *Communications with Beneficial Owners of Securities of a Reporting Issuer* (“NI 54-101”) and National Instrument 51-102 — *Continuous Disclosure Obligations* to permit issuers to post proxy-related materials on an easily-accessible website, rather than mailing copies to security holders.

The Corporation has elected to use notice-and-access and will be delivering the Circular to Shareholders by posting it on the website of our transfer agent, TSX Trust Company, at <https://docs.tsxtrust.com/2012> and on the Corporation’s website at <http://www.KPTissueinc.com>. The Circular will also be available on SEDAR at www.sedar.com. The Corporation has sent a notice-and-access notification and either a form of proxy for Registered Shareholders or a voting instruction form for Non-Registered Shareholders (collectively, the “Notice Package”) to all Shareholders informing them that the Circular is available online, how it may be accessed and how to request a paper copy at no charge. The Corporation has received an exemption under the *Canada Business Corporations Act* (the “Act”) permitting it to use notice-and-access with respect to the delivery of the Circular.

The Corporation has elected to use notice-and-access as this alternative means of delivery is more environmentally friendly as it will help reduce paper use and it will also reduce the Corporation’s printing and mailing costs.

The Corporation is sending the Notice Package directly to non-objecting beneficial owners under NI 54-101.

Registered Shareholders

You are a registered shareholder (a “Registered Shareholder”) if your name appears on your share certificate. Each Registered Shareholder is entitled to one vote for each Common Share registered in his or her name as of the Record Date.

If you are a Registered Shareholder, you can vote online at the virtual Meeting or by proxy. Voting by proxy means that you are giving the person or people named on your proxy form (your proxyholder) the authority to vote your Common Shares for you online at the virtual Meeting or any adjournment or postponement thereof.

If your Common Shares are registered in the name of an Intermediary (as hereinafter defined) or in the name of a depositary (such as CDS), refer to “Non-Registered Shareholders” below.

How to Attend and Vote at the Virtual Meeting

In the context of the COVID-19 crisis, in order to protect the health of Meeting participants, the Corporation has decided to hold the Meeting in a virtual-only format which will be conducted via live webcast. Shareholders will not be able to attend the Meeting in person. Attending the Meeting online enables registered shareholders and duly appointed proxyholders to participate at the Meeting and ask questions, all in real time. Registered shareholders and duly appointed proxyholders can vote at the appropriate times during the Meeting.

- Log in online at <http://web.lumiagm.com/297479061>. We recommend that you log in at least fifteen minutes before the Meeting starts.

- If you or your duly appointed proxyholder have a Control Number, click “I have a control number” and then enter the Control Number (see below) and Password “KPT2020” (case sensitive).

OR

- If you do not have a Control Number, click “Guest” and then complete the online form. Guests will not be able to vote or ask questions at the Meeting.

Registered shareholders: The control number located on the form of proxy is your Control Number.

Duly appointed proxyholders: Registered shareholders may give another person authority to vote at the Meeting on their behalf by appointing a proxyholder (see below under “How to Vote by Proxy”). A proxyholder is the person you appoint on your behalf at the Meeting to vote your Common Shares in your name. If you appoint a proxyholder to attend and act on your behalf at the virtual Meeting, the proxyholder will need to contact TSX Trust Company, no later than June 2, 2020 at 3:00 p.m. (Eastern Time), to obtain a control number which will permit your proxyholder to vote at the virtual Meeting.

Guests can log in to the virtual Meeting as set out above. Guests can listen to the Meeting but are not able to vote nor ask questions.

If you attend the Meeting online and have logged in with a Control Number, it is important that you are connected to the internet at all times during the Meeting in order to vote when balloting commences. It is your responsibility to ensure connectivity for the duration of the Meeting. You should allow ample time to check into the Meeting online and complete the related procedure.

If you intend to be present and vote online at the virtual Meeting, you do not need to complete or return your proxy form.

How to Vote by Proxy

In the Notice Package is the form of proxy that you may use to authorize another person to vote on your behalf at the online Meeting.

Your proxyholder is the person you appoint to cast your votes at the Meeting on your behalf. **You may choose Dino Bianco or Mark Holbrook or any other person that you want to be your proxyholder. Each Shareholder is entitled to appoint a person other than the individuals named in the form of proxy enclosed in the Notice Package to represent such Shareholder at the Meeting.** Your proxyholder is not required to be another Shareholder. If you want to authorize Dino Bianco or Mark Holbrook as your proxyholder, please leave the line near the top of the form of proxy blank as Dino Bianco and Mark Holbrook’s names are already pre-printed on the form. If you want to authorize another person as your proxyholder, fill in that person’s name in the blank space located near the top of the form of proxy. If you appoint a proxyholder to attend and act on your behalf at the Meeting other than Dino Bianco or Mark Holbrook, you will need to contact TSX Trust Company, no later than June 2, 2020 at 3:00 p.m. (Eastern Time), to obtain a control number which will permit your proxyholder to vote at the virtual Meeting.

Your proxy authorizes the proxyholder to vote or otherwise act for you at the Meeting. **If you return the attached form of proxy and have left the line for the proxyholder’s name blank, then Dino Bianco or Mark Holbrook will automatically become your proxyholder.**

To be valid, the form of proxy must be filled out, correctly signed (exactly as your name appears on the form of proxy) and returned to TSX Trust Company by mail at 100 Adelaide West, Suite 301, Toronto, Ontario M5H 4H1, or by facsimile at 1-416-595-9593, or electronically at www.voteproxyonline.com not later than 3:00 p.m. (Eastern Time) on June 2, 2020, or, if the Meeting is adjourned or postponed, prior to 3:00 p.m. (Eastern Time) on the second business day preceding the day of the Meeting. Failure to properly complete or deposit a proxy may result in its invalidation.

You may instruct your proxyholder how you want to vote on the matters listed in the Notice of Meeting by checking the appropriate boxes on the form of proxy. If you have specified on the form of proxy how you want to vote on a particular issue, then your proxyholder must cast your votes as instructed.

If you have not specified how to vote on a particular matter, your proxyholder is entitled to vote your Common Shares as he or she sees fit. Please note that if your form of proxy does not specify how to vote on any particular matter and if you have authorized Dino Bianco or Mark Holbrook to act as your proxyholder (by leaving the line for the proxyholder's name blank on the form of proxy), your Common Shares will be voted at the Meeting as follows:

- FOR the election of each of management's nominees as directors of the Corporation; and
- FOR the appointment of PricewaterhouseCoopers LLP as auditor and the authorization of the Board of Directors to fix their remuneration.

For more information on these matters, please see the section entitled "Business of the Meeting" below.

How to Change your Vote

A Registered Shareholder executing the form of proxy enclosed in the Notice Package may revoke it at any time before it has been exercised by:

- completing a proxy form that is dated later than the proxy form you are revoking and mailing it to TSX Trust Company so that it is received before 3:00 p.m. (Eastern Time) on June 2, 2020; or
- sending a revocation notice in writing to the Corporate Secretary of the Corporation at its registered office so that it is received at any time up to and including the last business day before the date of the Meeting. The notice can be from the Shareholder or the authorized attorney of such Shareholder.

Non-Registered Shareholders

Information set forth in this section is very important to persons who hold their Common Shares otherwise than in their own name.

Only Registered Shareholders at the close of business on the Record Date, or the persons they appoint as their proxyholders, are permitted to vote online at the virtual Meeting.

In many cases, Common Shares that are beneficially owned by a person who is a "Non-Registered Shareholder" are registered (i) in the name of an intermediary (an "Intermediary") with whom the Non-Registered Shareholder deals in respect of the Common Shares, such as a securities broker, bank, trust company or trustee or administrator of a self-administered RRSP, RRIF, RESP or similar plans, or (ii) in the name of a clearing agency, such as CDS, in which the Intermediary is a participant. Non-Registered Shareholders should note that only proxies deposited by Shareholders whose names appear on the records of the Corporation as the Registered Shareholders can be recognized and acted upon at the Meeting. Without specific instructions, Intermediaries and their agents or nominees are prohibited from voting Common Shares for their clients.

If you are not sure whether you are a Registered Shareholder or a Non-Registered Shareholder, please contact the Corporation's transfer agent, TSX Trust Company at 100 Adelaide West, Suite 301, Toronto, Ontario M5H 4H1 or by e-mail at tmxinvestorservices@tmx.com.

How to Vote by Voting Instruction Form

Applicable regulations in Canada require Intermediaries to seek voting instructions from Non-Registered Shareholders in advance of the Meeting. Accordingly, Non-Registered Shareholders will receive or have already received from their Intermediary a voting instruction form for the number of Common Shares they hold. Every Intermediary has its own mailing procedures and provides its own signature and return instructions, which should be carefully followed by Non-Registered Shareholders in order to ensure that their Common Shares are voted at the Meeting. Most Intermediaries now delegate responsibility for obtaining instructions from clients to Broadridge Communications Corporation ("Broadridge"). Broadridge typically prepares a voting instruction form that it mails to

Non-Registered Shareholders and asks them to return the voting instruction form directly to Broadridge. Broadridge then tabulates the results of all instructions received and provides appropriate instructions representing the voting of Common Shares represented at the Meeting. A Non-Registered Shareholder receiving a voting instruction form cannot use that voting instruction form to vote his or her shares directly online at the virtual Meeting. The voting instruction form must be returned to Broadridge or the Intermediary, if the latter has not delegated this responsibility to Broadridge, well in advance of the Meeting to have the Common Shares voted.

How to Vote at the Virtual Meeting

If Non-Registered Shareholders wish to vote online at the Meeting, they are required to (i) insert their own name in the space provided on the voting instruction form provided by the Intermediary to appoint themselves as proxyholder and follow the signature and return instructions of their Intermediary, and (ii) register themselves as a proxyholder, by contacting TSX Trust Company, no later than June 2, 2020 at 3:00 p.m. (Eastern Time), to obtain a control number which will permit the Non-Registered Shareholder to vote as a proxyholder online at the Meeting. Instructions on how to log-in and vote at the online Meeting are set out above under Registered Shareholders – How to Attend and Vote at the Virtual Meeting.

Exercise of Discretion by Proxyholders

The form of proxy enclosed in the Notice Package and any voting instructions submitted confer discretionary authority upon the persons named therein with respect to matters not specifically mentioned in the Notice of Meeting but which may properly come before the Meeting or any adjournment(s) or postponement(s) thereof and with respect to amendments to or variations of matters identified in the Notice of Meeting. As at the date hereof, management knows of no such amendments, variations or other matters to come before the Meeting other than the matters referred to in the Notice of Meeting and routine matters incidental to the conduct of the Meeting. If any further or other business is properly brought before the Meeting, it is intended that the persons appointed as proxy will vote on such other business in such manner as such persons then consider to be proper.

COMMON SHARES AND PRINCIPAL SHAREHOLDERS

The Corporation's authorized share capital consists of an unlimited number of Common Shares. As of the Record Date, the Corporation had 9,694,829 issued and outstanding Common Shares.

Voting Rights

The Common Shares carry one vote per share for all matters coming before Shareholders.

Unless a different majority is required by law or our Articles, resolutions to be approved by holders of Common Shares require approval by a simple majority of the total number of votes of all Common Shares cast at a meeting of Shareholders at which a quorum is present with holders of Common Shares entitled to one vote per share.

The holders of Common Shares are entitled to receive notice of any meeting of Shareholders of the Corporation, and to attend and vote at those meetings, except those meetings at which holders of a specific class of shares are entitled to vote separately as a class under the Act. As of the date of this circular, there were no classes of shares other than the Common Shares.

Ownership of Common Shares of the Corporation

As at the Record Date, no person or company owned of record or, to the Corporation's knowledge, beneficially owned, directly or indirectly, or controlled or directed more than 10% of the Common Shares other than (i) Caisse de dépôt et placement du Québec, which to the Corporation's knowledge, owns and controls 1,693,122 Common Shares, representing 17.46% of the issued and outstanding Common Shares, and (ii) Kruger Inc. which, if it were to exchange the units of KPLP that it holds for Common Shares pursuant to the exchange agreement among Kruger, the Corporation and KPLP, would hold approximately 85.16% of the issued and outstanding Common Shares following such conversion.

BUSINESS OF THE MEETING

Financial Statements

The audited financial statements of the Corporation for the financial year ended December 31, 2019, together with the auditors' report thereon (the "Corporation Financial Statements"), will be submitted at the Meeting, but no vote thereon is required. The Corporation Financial Statements, together with the management's discussion and analysis, are available on the SEDAR website at www.sedar.com.

Election of Directors

The Corporation's Articles state that its Board of Directors shall have a minimum of four and a maximum of nine directors. The Board of Directors is currently comprised of four directors (a size which accommodates three independent directors, including the non-executive Chair, on the board of directors of KPGP (the "KPGP Board") and a board member nominated by Kruger pursuant to the Limited Partnership Agreement (as defined below)). Since the Corporation's business is limited to its investment in KPLP and related activities, the Corporation Board does not currently believe that a Corporation board of a size greater than four directors is necessary or appropriate. KPGP, the general partner of KPLP, the operating entity in which the Corporation holds an interest, has a more typical board size of ten members. See "Corporate Governance of the Corporation" and "Corporate Governance of KPLP".

At the meeting, the four individuals identified in the section "Nominees for Election to the Board of Directors" will be nominated for election as directors. Each director will hold office until the next annual meeting of Shareholders, unless the director resigns or the director's office becomes vacant for any reason. The directors are elected annually and, unless re-elected, retire from office at the end of the next annual general meeting of Shareholders, provided their successors have then been elected.

Unless a proxy specifies that the Common Shares it represents should be withheld from voting in respect of the election of directors, the persons named in the form of proxy enclosed in the Notice Package intend to vote FOR the election of the nominees listed in this Circular.

As of the date hereof, management of the Corporation does not expect that any of the nominees will be unable to serve as a director. However, if, for any reason, at the time of the Meeting any of the nominees are unable to serve and unless otherwise specified, it is intended that the persons designated in the form of proxy will vote in their discretion for a substitute nominee or nominees.

Majority Voting Policy

The Board of Directors has adopted a majority voting policy in director elections that will apply at any meeting of Shareholders at which an uncontested election of directors is held. Pursuant to the policy, if the number of proxy votes withheld for a particular director nominee is greater than the votes for such director, the director nominee will be required to promptly submit such person's resignation to the Board of Directors, to take effect on acceptance by the Board of Directors.

Following receipt of a resignation submitted pursuant to the policy, the Nominating and Governance Committee of the Corporation shall consider whether or not the resignation should be accepted and shall recommend to the Board of Directors whether or not to accept it. Absent exceptional circumstances, the Board of Directors will accept the resignation. In considering whether or not the resignation should be accepted, the Nominating and Governance Committee will evaluate the best interests of the Corporation and its shareholders and will consider a number of factors including, without limitation, any alternatives to cure the underlying cause of the withheld votes, any obligations of the Corporation with respect to the nomination of directors, and whether accepting the resignation would cause the Corporation to fail to meet any applicable listing or regulatory requirement.

Within 90 days following the applicable meeting of the Corporation's shareholders, the Board of Directors shall make its decision and, promptly following its decision, announce it by way of news release including, if applicable, the reasons for rejecting the resignation offer. A copy of the news release must be provided to The Toronto

Stock Exchange. The Board of Directors is not limited with respect to any action it may take if a director's resignation is accepted including appointing a new director to fill the vacancy.

A director who tenders his or her resignation pursuant to this majority voting policy shall not be permitted to participate in any meeting of the Board of Directors or any committee of the Board of Directors at which his or her resignation is considered.

A copy of the majority voting policy of the Corporation may be found on the Corporation's website at www.kptissueinc.com.

Appointment of Auditor

At the Meeting, Shareholders will be asked to appoint PricewaterhouseCoopers LLP ("PwC") to hold office as the Corporation's auditors until the close of the next annual meeting of Shareholders and to authorize the Board of Directors to fix their remuneration.

PwC has served as auditors of the Corporation since its incorporation in 2012 and has advised the Corporation that it is independent of each of the Corporation and KPLP in accordance with all relevant professional and regulatory standards.

Unless a proxy specifies that the Common Shares it represents should be withheld from voting in respect of the appointment of auditors, the persons named in the form of proxy enclosed in the Notice Package intend to vote FOR the appointment of PwC as auditors of the Corporation and the authorization of the directors of the Corporation to fix their remuneration.

Additional details with respect to external auditor fees charged to the Corporation and KPLP for past services can be found in the section "Audit Committee Information regarding the Corporation" and "Audit Committee Information regarding KPLP" of the Annual Information Form, which can be viewed on the SEDAR website at www.sedar.com.

NOMINEES FOR ELECTION TO THE BOARD OF DIRECTORS

All nominees have established their eligibility and willingness to serve as directors. If prior to the Meeting, any of the listed nominees would become unable or unavailable to serve, proxies will be voted for any other nominee or nominees at the discretion of the proxyholder.

EXECUTIVE COMPENSATION DISCUSSION AND ANALYSIS

Introduction

The Corporation does not employ any remunerated officers and does not have any employees. Mr. Dino Bianco, Chief Executive Officer of KPLP, Mr. Mark Holbrook, Chief Financial Officer of KPLP and Mr. François Paroyan, General Counsel and Corporate Secretary of KPLP, have been appointed, respectively, as Chief Executive Officer, Chief Financial Officer and General Counsel and Corporate Secretary of the Corporation. They are not compensated by the Corporation for these services.

An administration agreement dated December 13, 2012 between KPLP, as administrator, and the Corporation (the “Administration Agreement”) governs the administration of the ongoing operations and affairs of the Corporation. Under the Administration Agreement, KPLP, as administrator, agreed to provide management services to the Corporation to support its operation as a public company. The responsibilities of KPLP, as administrator, are such that the Corporation does not require its own management or hire any employees. Pursuant to the Administration Agreement, KPLP, as administrator, directly bears and pays for all the Corporation’s normal operating expenses incurred in connection with the ordinary course operation of a company that is a reporting issuer. The Corporation does not remunerate KPLP or any officer or director of KPLP for services provided pursuant to the Administration Agreement.

Pursuant to an undertaking provided by the Corporation to the securities regulatory authorities in Canada, the Corporation has undertaken that, subject to certain exceptions, in complying with its continuous disclosure obligations as a reporting issuer, it will treat KPLP as a subsidiary. On this basis, certain officers of KPLP are “named executive officers” of the Corporation for the purposes of its required disclosure under Form 51-102F6 — *Statement of Executive Compensation*.

The following discussion describes the significant elements of KPLP’s executive compensation program, with particular emphasis on the process for determining compensation payable to the chief executive officer (the “CEO”), the chief financial officer (the “CFO”) and, other than the CEO and the CFO, each of the three most highly compensated executive officers, or the three most highly compensated individuals acting in a similar capacity, at the end of the most recently completed financial year whose total compensation was, individually, more than \$150,000 (collectively, the “Named Executive Officers” or “NEOs”). The NEOs are:

- Dino Bianco, CEO;
- Mark Holbrook, CFO;
- Gordon Goss, Senior Vice President and General Manager, Consumer Business USA and Mexico
- Michel Manseau, Senior Vice President and General Manager, Consumer Business Canada; and
- Alex Miller, former Senior Vice President Operations ¹.

Overview

The compensation of the executive officers of KPLP is paid by KPLP and, as described below, is determined on the basis of KPLP’s financial performance and in accordance with the objectives and performance indicators set by KPLP and approved by the KPGP Board after consultation with the KPGP Compensation Committee. See “Compensation Committee”, below. Mr. Letellier, an independent director of the Corporation, serves as a member of the KPGP Compensation Committee.

The KPGP Board makes decisions regarding salaries, annual bonuses and other compensation for the CEO and establishes guidelines for the compensation of the other executive officers of KPLP based on recommendations

¹ Mr. Miller left KPLP on February 7, 2020.

made by the KPGP Compensation Committee. The compensation of KPLP executive officers (other than the CEO) is determined by the CEO of KPLP based upon the guidelines established by the KPGP Board.

Compensation Components

KPLP's executive compensation consists primarily of three elements: base salary, a short-term cash incentive plan and a long-term incentive plan. Each element of compensation is described in more detail below.

Base Salary

Base salaries for KPLP's executive officers are established based on the scope of their responsibilities and their prior relevant experience, taking into account competitive market compensation for similar positions and the overall market demand for such executives at the time of hire. An executive officer's base salary is also determined by reviewing the executive officer's other compensation to ensure that the executive officer's total compensation is in line with KPLP's overall compensation philosophy.

Base salaries are reviewed annually at which time, in addition to the above, an individual's performance and level of contribution are assessed. Additionally, KPLP adjusts base salaries as warranted throughout the year for promotions or other changes in the scope or breadth of an executive officer's role or responsibilities.

Annual Bonus

KPLP has a short-term cash incentive plan (the "STCIP"), the purpose of which is to provide eligible employees (including the NEOs) a bonus payment tied to corporate and individual performance. For executive management the STCIP is weighted as follows: (a) 50% based on corporate financial performance measured by KPLP's Adjusted EBITDA as well as +/- 10% modifier to reflect share gain or loss, (b) 30% based on cost reduction initiatives, health and safety, and revenue, measured against annual targets, and (c) 20% based on individual objectives. Each participant is provided with an individual bonus target for a given fiscal year, established as a percentage of such participant's base salary (100% for Dino Bianco and 40% for the other NEOs) (the "Target Bonus"). For each component of the STCIP, upon the achievement by KPLP of the assigned target in respect of that component for the then current fiscal year, the participant may receive 100% of the bonus in respect of that component. For each component of the STCIP, if KPLP's performance is below or exceeds the relevant target, the participant's bonus is established on a sliding scale for a payment varying between 0% and 200% of the bonus for that component. In Fiscal 2019, the corporate financial performance component of the STCIP resulted in 37.17% being payable. Performance based on the cost reduction initiatives, health and safety, and revenue resulted in 31% for 2019. The total amount awarded to each NEO under the STCIP is reflected in the Summary Compensation Table below.

Long-Term Incentive Plan

KPLP has adopted a long-term incentive plan (the "LTIP") for the CEO, CFO, Senior Vice Presidents and Corporate Vice-Presidents and other designated senior executives. Following a market review by Willis Towers Watson and Mercers, the LTIP was modified in fiscal 2019 to add a restricted share unit component in order to bring it more in line with market and competitive set and strategic objectives. In Fiscal 2019, 14 employees of KPLP, including each of the NEOs, were eligible for participation in the LTIP. The goals of the LTIP are to:

- attract qualified candidates
- retain the participating members of senior management
- encourage the executives in executing the strategic plan of KPLP
- provide the executives with an incentive to create economic value for the shareholders of KPLP and the Corporation
- align the interests of senior management with those of the shareholders

The LTIP is administered by the KPGP Compensation Committee. The plan is reviewed annually for alignment with market trends and the strategic objectives of KPLP.

The plan is based on the equally-weighted issuance of Performance Share Units (PSUs) and Restricted Share Units (RSUs). The PSUs represent notional or phantom shares, and the value of the PSUs track the Corporation's stock price over a three year period. The PSUs are subject to the following performance measures: Adjusted EBITDA Return on Capital Employed ("ROCE") and Total Shareholder Return ("TSR"). Weightings are applied to the granted PSUs as follows: ROCE PSUs: 75%, TSR PSUs: 25%.

The RSUs represent notional or phantom shares, and the value of the RSUs is linked to the Corporation's stock price at time of payment.

Payouts under the LTIP for ROCE PSUs are subject to KPLP meeting an established ROCE target based on a three year rolling average, and are also impacted by the Corporation's stock price change. Payouts for TSR performance are determined based on the Corporation's stock price change and dividend yield (combined measure to reflect Total Shareholder Return) ranked against a set of five direct competitors in the market over the same three year period.

PSUs and RSUs are granted each year in May at the discretion of the KPGP Compensation Committee. The total number of PSUs and RSUs to be awarded to a participant, for a given year, is determined as per the following formula: participant's annual salary x target percentage / share price at grant date = granted PSUs. The target percentages are as follows: CEO (95%); CFO (60%); Senior Vice Presidents Operations and Senior Vice President and General Manager, Consumer Business Canada (70%) and Senior Vice President and General Manager, Consumer Business USA & Mexico (60%). The share price at grant date is the average of the weighted average closing price of the Common Shares on the TSX for the 20 days that precede the date on which the PSUs and RSUs are granted.

The PSUs vest to the Participant on the third anniversary of the award in May, subject to meeting certain objectives. Each performance component of the LTIP vests according to the degree of attainment of the objectives on the results date (being the date at which the last financial results of KPLP that will serve to establish the degree of attainment of the objectives are approved by the KPGP Board). The performance objectives are measured using a range of minimum, target and exceptional performance levels from 0% to 150% of target, to determine a performance vesting factor for ROCE and for TSR PSUs. These factors are then multiplied by the number of ROCE and TSR PSUs granted to determine the number of PSUs that will vest to the Participant. Under the LTIP, PSUs are also credited to a participant at the time of vesting of the relevant PSUs based on dividends declared on Common Shares and the number of PSUs determined to have been vested. The final payout to the participant is therefore determined using the following formula: (total PSU's vested + PSUs credited as dividend equivalents) x share price at vesting date = payout. The share price at vesting date is the average of the weighted average closing price of the Common Shares on the TSX for the 20 days that precede the date on which the PSUs vest.

Payout of vested PSUs amounts is made in cash in May of the third year following the reference year. For example, the vesting and payout of PSUs granted in 2019 will be in May 2022, provided the participant is still in the employ of KPLP or Kruger Inc. and that the relevant performance criteria are met. If the employment of the eligible participant is terminated for cause or he or she resigns, all amounts allocated to such participant under the LTIP are forfeited. If the employment of the eligible participant is terminated without cause, all previously allocated amounts continue to vest and become payable in their normal course. Upon retirement, all previously allocated amounts vest immediately, and payments are made in their normal course.

The RSUs vest partially in May of each year over a 3-year period (one third of RSUs granted vests each year). Payout of the partially vested RSUs is made at time of vesting.

KPLP does not publicly disclose the specific Adjusted EBITDA or cost reduction, health and safety, and revenue targets set under the STCIP or the ROCE or TSR targets for the LTIP, because disclosure of such information could result in competitive harm. KPLP's corporate objectives are designed to drive sustainable growth and performance on an individual basis. The targets are set such that they are challenging to meet but realistically attainable with significant effort and strong corporate performance. It is possible that payments under the STCIP will not be made at all or will be made at less than 100% of the Target Bonus and that LTIP PSUs granted will not vest and there will be no payment in respect thereof.

Compensation Risk

The current structure of KPLP's executive compensation arrangements are inherently designed not to encourage executive officers to expose KPLP to inappropriate or excessive risks. The following elements of KPLP's executive compensation arrangements correlate to the long-term performance of the Corporation:

- compensation with a well-balanced mix of salary, STCIP and LTIP;
- the use of performance metrics, such as Adjusted EBITDA and ROCE, that are aligned with KPLP's business growth strategy;
- the use of a sliding scale to grant annual cash bonuses (as opposed to an all-or-nothing proposition);
- policies and practices that are generally applied on a consistent basis to all executive officers;
- the fact that the Insider Trading Policy of the Corporation and KPLP prohibits insiders (which include, among others, the Corporation's directors and KPLP's directors and executive officers) from engaging in short sales of the Corporation's securities, investing in Corporation-based derivative securities or purchasing securities of the Corporation on margin; and
- the fact that employment agreements of executive officers do not provide excessive severance in the case of termination.

Compensation Committee

The KPGP Board has a human resources and compensation committee (the "KPGP Compensation Committee") which is composed of three directors, namely Joseph Kruger II (Chairman), David Spraley and Michel Letellier. Michel Letellier is an independent director and a member of the Corporation Board. The Limited Partnership Agreement provides that the KPGP Compensation Committee shall be a three member committee composed of at least one Corporation Nominee who is independent of KPGP.

The biography of Michel Letellier is set out above under "Nominees for Election to the Board of Directors — Biographies" and the biography of each Joseph Kruger II and David Spraley is set out in the section "Directors and Executive Officers of KPLP" in the Annual Information Form, which section is incorporated by reference herein (and available on the SEDAR website at www.sedar.com).

The KPGP Compensation Committee undertakes a variety of responsibilities relating to compensation, including, but not limited to, the following:

- Assess annually the performance of the CEO against the specific performance criteria, goals and objectives determined by the KPGP Board and such other factors as the Compensation Committee deems appropriate and in the best interest of the Corporation, and establishing the CEO's compensation.
- Review shareholdings of the CEO and other senior executives relative to the share ownership guidelines established by the Committee, including share-equivalent ownership, if applicable.
- Review with the CEO the annual performance assessment of all other senior executives and to report annually to the KPGP Board on all of the foregoing.
- Review and make recommendations regarding KPGP's overall compensation philosophy and strategy to ensure that compensation policies and/or practices followed by KPGP are designed to recognize and reward performance and establish a compensation framework, which is industry competitive and which results in the creation of shareholder value over the long-term (i.e. management and KPGP Board incentives are aligned with shareholders' interests).

- Identify, assess and mitigate applicable risks associated with KPGP’s compensation policies and practices.
- Design, establish and oversee KPGP's executive compensation policy, including annual and long term incentive compensation programs, which includes:
 - considering compensation principles and objectives for total compensation that reflect desired competitive positioning and comparator groups such that they are in line with recruitment and retention objectives of KPGP;
 - oversee the design, implementation and administration (with the assistance of third party plan administrators) of any executive or employee incentive compensation or benefits programs; and
 - recommend for approval by the KPGP Board all forms of compensation for the CEO and other senior executives taking reasonable measures to ensure that an appropriate portion of such compensation is tied to both the short and longer-term performance of KPGP.

Defined Benefit Pension Plan

The following table presents a summary of the eligible years of service and estimated annual retirement benefits payable at age 65, accrued as of December 31st, 2019, under the defined benefit ("DB") registered pension plans in which the NEOs participate combined, when applicable, with supplementary retirement arrangements. The table also sets forth the changes in the accrued pension obligation (for accounting purposes) from December 31st, 2018 to December 31st, 2019, including the annual cost attributable to compensatory items for the financial year 2019. The method of evaluation and assumptions used to determine the accrued pension obligation at year end are the same as the ones presented in KPLP's financial statements for the financial year ended December 31st, 2019.

NAME	NUMBER OF YEARS CREDITED SERVICE	ANNUAL BENEFITS PAYABLE AT		ACCRUED OBLIGATION AT START OF YEAR	COMPENSATORY CHANGE	NON-COMPENSATORY CHANGE	ACCRUED OBLIGATION AT YEAR END

pension plan and a separate arrangement was made to recognize his service while outside Canada. Pension accruals are based on final average earnings. Michel Manseau participates in a DB registered pension plan and in a supplementary retirement arrangement and is eligible to receive, at the age of 60, a total pension of \$175,000. This amount is inclusive of the amount payable to him under the DB registered pension plan.

Defined Contribution Pension Arrangements

Dino Bianco and Alex Miller participate in KPLP’s defined contribution pension plan. The following table presents a summary of the estimated total benefits under KPLP’s defined contribution pension plan. Under such plan, KPLP contributes 20% of Mr. Bianco’s base salary and 15% of Mr. Miller’s base salary. For Dino Bianco, the amount in excess of the amount allowed under the defined contribution pension plan is allocated to a supplementary retirement arrangement (SERP-DC).

Mark Holbrook also participates in the SERP-DC. Under such plan, KPLP contributes 15% of Mr. Holbrook’s base salary that is in excess of the compensation recognized under the non-contributory DB registered pension plan.

The Chair of the Board of the Corporation receives from KPLP, on behalf of the Corporation, an additional annual retainer fee of \$15,000. In addition, each independent director serving on the Nominating and Governance Committee receives a fee of \$1,250 per committee meeting attended. The independent directors of the Corporation and Louise Denys Wendling also serve and are further compensated as independent directors of KPGP. See “Director Compensation of KPGP” below.

Minimum Shareholding Requirement for Directors

The Corporation Board has adopted a policy that requires that each director own a minimum of 5,000 common shares and/or share equivalents in the form of deferred share units (“DSUs”) of the Corporation. The Corporation Board has adopted a deferred share unit plan (“Plan”) which allows independent directors and Louise Wendling to receive all or part of their director retainer fees in the form of DSUs. The Plan allows for the issuance of additional units as dividend equivalents when the Corporation declares and issues a dividend to shareholders. Upon the individual ceasing to be a director, the DSUs will be paid out in cash.

If a director does not own such minimum amount of shares or DSUs, he or she shall, over a three-year period starting from the later of his or her appointment, acquire such number of shares or receive Board retainer fees in the form of DSUs to reach the minimum 5,000 common shares and/or DSUs by the end of such three-year period., with a minimum of 1,667 shares and/or DSUs being held after year 1; 3,334 shares and/or DSUs being held after year 2; and a minimum of 5,000 shares and/or DSUs being held after year 3). Each of the Directors has met the minimum shareholding requirement.

Performance Graph

The following graph shows, as at March 31, 2020, the cumulative total shareholder return on a \$100 investment as at January 1, 2015 (assuming reinvestment of dividends at a price determined in accordance with KPT’s

dividend reinvestment plan) compared with the cumulative total return of the S&P/TSX Composite Index for such period.

The compensation of executive officers is determined in accordance with the principles and components set forth above. The short-term and long-term compensation incentives of the executive officers are principally based on financial measures and are only partially tied to the performance of the KPT common shares on the TSX. For this reason, there is no direct relation between the evolution of the total compensation of the executive officers and the evolution of the price of the common shares of KPT.

Employment Agreements, Termination Benefits and Change of Control Benefits

KPLP has entered into an employment agreement with Mr. Dino Bianco with respect to his employment as CEO. Mr. Bianco's employment agreement provides that, in the event of a change of control of KPLP, as defined in the agreement, he will receive a retention bonus equal to an amount equivalent to 12 months base salary no later than six months following the change of control, which shall also be payable if Mr. Bianco's employment is terminated without cause within the 6 month period following the change of control. The employment agreement further provides that, in the event that KPLP terminates Mr. Bianco's employment without cause, as defined in the agreement, he will be entitled to the following termination package: (i) to be paid in equal installments over a period of 12 months in accordance with KPLP's normal payroll schedule: (A) the base salary that would have been payable to him had his employment with KPLP continued after the date of termination; (B) a pro rata portion of the STCIP incentive payment that would have been payable to him, calculated on the basis of a Target Bonus of 100% of his base salary; and (C) an LTIP incentive payment as per the terms of the LTIP or a pro rata portion of the LTIP incentive payment that would have been payable; (ii) continued participation in benefit plans made generally available to KPLP's similarly-situated employees from time to time; and (iii) continued participation in the DC SERP during the severance period.

Other than with Dino Bianco, KPLP has not entered into written employment agreements with its Named Executive Officers. KPLP has not put in place any agreement, plan or mechanism for payments in favour of the other Named Executive Officers in the event of termination of duties, whether voluntary or not, or of constructive dismissal, resignation, retirement, change in responsibilities or change of control of KPLP. However, under the LTIP, upon termination without cause and upon retirement, all previous awards granted under the plan continue to vest and become payable in their normal course.

Indemnification and Insurance

The Corporation and KPGP have jointly subscribed for a directors' and officers' insurance policy. In addition, the Corporation and KPLP have entered into indemnification agreements with each of the Corporation's directors and officers and KPLP has entered into indemnification agreements with KPGP's directors and KPLP's officers. The indemnification agreements generally require that the Corporation and/or KPLP, as applicable, indemnify and hold the indemnitees harmless to the greatest extent permitted by law for liabilities arising out of the indemnitees' service to the Corporation, KPLP or KPGP as directors and officers, provided that the indemnitees acted honestly and in good faith and in a manner the indemnitees reasonably believed to be in or not opposed to the relevant entity's best interests and, with respect to criminal and administrative actions or proceedings that are enforced by monetary penalty, the indemnitees had no reasonable grounds to believe that his or her conduct was unlawful. The indemnification agreements also provide for the advancement of defence expenses to the indemnitees by the Corporation or KPLP, as applicable, to the extent permitted by applicable law.

INDEBTEDNESS OF DIRECTORS AND EXECUTIVE OFFICERS

None of the Corporation's directors or officers is indebted to the Corporation (other than "routine indebtedness" under Canadian securities laws).

INTEREST OF INFORMED PERSONS IN MATERIAL TRANSACTIONS

Other than as set out below, no director or executive officer of the Corporation or KPLP or any proposed director of the Corporation has or has had any material interest, direct or indirect, in any transaction since the commencement of the Corporation's most recently completed financial year or in any proposed transaction which has been materially affected or would materially affect the Corporation or KPLP or any of its subsidiaries.

CORPORATE GOVERNANCE OF THE CORPORATION

Size of the Corporation Board

The Corporation Board is comprised of four directors, being a size which accommodates three independent directors on the KPGP Board and a board member nominated by Kruger pursuant to the Limited Partnership Agreement. Since the Corporation's business is limited to its investment in KPLP and related activities, the Corporation Board does not currently believe that a Corporation board size greater than four directors is necessary or appropriate. KPGP, the general partner of KPLP, the operating entity in which the Corporation holds an interest, has a more typical board size of ten members. See "Corporate Governance of KPLP".

Independence of the Corporation Board

In the view of the Corporation Board, three of the Corporation Board members, namely James Hardy, Michael Korenberg and Michel Letellier, are considered "independent" as defined in National Instrument 52-110 — *Audit Committees*, as amended from time to time ("NI 52-110"). Under NI 52-110, an "independent" director is one who is free from any direct or indirect relationship which could, in the view of the Corporation Board, be reasonably expected to interfere with a director's independent judgment. Louise Denys-Wendling is deemed not to be independent because she is part of the Advisory Board of Kruger. The independent directors hold in camera sessions without management present at meetings of the Corporation Board, as considered necessary.

Certain members of the Corporation Board are also members of the board of other public companies. See "Nominees for Election to the Board of Directors - Biographies", above.

Mandate of the Corporation Board of Directors

The Corporation Board is responsible for managing the Corporation, including overseeing the performance of the services provided under the Administration Agreement. Each director has a duty to act with a view to the best interests of the Corporation. The Corporation Board meets four times (or more, as necessary) annually.

The Corporation Board fulfills its duties by acting honestly and in good faith with a view to the best interests of the Corporation and by making decisions that set the tone, character and strategic direction for the Corporation. It also ensures that KPLP carries out its responsibilities under the Administration Agreement.

Despite the role played by KPLP as administrator under the Administration Agreement, the directors of the Corporation Board remain responsible for the performance of certain functions, subject to any approval or other rights set out in the Limited Partnership Agreement. The mandate of the Corporation Board is attached hereto as Appendix “B”.

In light of the Corporation’s structure, the role and functions of KPLP as administrator and the fact that the Corporation does not remunerate any senior executives or officers and does not have any employees, the Corporation does not currently have nor does it intend to establish a compensation committee. There is, however, a compensation committee at the level of the KPGP Board. See “Corporate Governance of KPLP — Compensation Committee” and “Corporate Governance of KPLP — Corporate Governance Committee”, below.

Despite the limited nature and scope of the Corporation’s operations, individual directors are assessed with respect to their effectiveness and contribution in a process overseen by the Chair of the Corporation Board. In addition to formal director assessment, the Corporation relies on the individual experience, competence and expertise, and informal assessments in gauging a director’s effectiveness and contribution in light of the needs of the Corporation Board and the Corporation.

Position Descriptions

The Chair of the Corporation Board

The Chair of the Corporation Board is Michael Korenberg, who is an independent director. The Chair of the Board assumes principal responsibility for the operation and functioning of the Board. The Corporation Board has adopted a written position description for the Chair of the Board which sets out the Chair’s key responsibilities, including consulting with the Board to set board agendas; chairing Board meetings; ensuring compliance with the governance policies of the Board regarding conduct of Board meetings; facilitating and encouraging open and effective communication and relationships between (i) the management of the Corporation and the Board, and (ii) the Corporation and shareholders, stakeholders and the general public; and reviewing and evaluating the performance of the Board as a whole at least annually.

The CEO

The vast majority of tasks and responsibilities ordinarily carried out by a chief executive officer are in fact carried out for the Corporation by KPLP, as the administrator under the Administration Agreement. Dino Bianco is the CEO of the Corporation and KPLP.

Orientation and Continuing Education

The Corporation Board ensures that prospective candidates for Corporation Board membership understand the roles of the Corporation Board and Corporation Board committees and the contribution that individual directors are expected to make.

The directors receive a comprehensive package of documentation several days in advance in preparation for Corporation Board and Corporation Board committees’ meetings, regular updates between Corporation Board meetings on matters that affect its business and reports from the Corporation Audit Committee on their work at their

previous committee meeting. The directors are also engaged in a review of the annual operating and capital plan of KPLP, as well as its long-term strategic plan.

Code of Ethics

The Corporation Board has adopted a Code of Business Conduct and Ethics, applicable to all directors, officers and employees of the Corporation.

Term Limits

The Corporation does not set specific term limits or a mandatory retirement age for its Board members. The Corporation believes that the Board does not lack fresh perspectives, as its members have served on the Board for an average of approximately four years. The Corporation will monitor the need for adopting such policies going forward, but does not believe that imposing term limits or a mandatory retirement age on its members is currently necessary or appropriate.

Diversity at the Level of Executive Officers

As the Corporation does not employ any remunerated officers and does not have any employees, it does not believe that it is relevant for it to consider the level of representation of women, visible minorities, Indigenous peoples or persons with disabilities in executive officer positions when making executive officer appointments and has not adopted a target regarding women, visible minorities, Indigenous peoples or persons with disabilities in executive officer positions. None of the individuals appointed as executive officers of the Corporation (as a result of their corresponding positions as executive officers of KPLP) are women, visible minorities, Indigenous peoples or persons with disabilities.

Board and Attendance

The Corporation Board met four times in Fiscal 2019 and each Corporation Board director was in attendance at each meeting, other than at the November 6, 2019 meeting which Louise Denys Wendling was unable to attend.

Audit Committee

NI 52-110 sets out requirements concerning the composition and responsibilities of an issuer's audit committee, and concerning an issuer's reporting obligations with respect to audit related matters. The Corporation's audit committee (the "Corporation Audit Committee") is composed of its three independent directors, James Hardy (as Chairman), Michael Korenberg and Michel Letellier, each of whom is also a member of the KPGP Audit Committee. See "Corporate Governance of KPLP — Audit Committee." Each of Michael Korenberg, Michel Letellier, and James Hardy is financially literate and independent within the meaning of NI 51-102. See "Nominees for Election to the Board of Directors — Biographies" for a brief summary of the education and experience of each Corporation Audit Committee member and proposed Corporation Audit Committee member that is relevant to his performance as a member of the Corporation Audit Committee.

The Corporation Board has adopted a written charter for the Corporation Audit Committee (the "Charter of the Corporation Audit Committee") which sets out the Corporation Audit Committee's responsibility in reviewing the financial statements of the Corporation and public disclosure documents containing financial information and reporting on such review to the Corporation Board, ensuring that adequate procedures are in place for the review of Corporation's public disclosure documents that contain financial information, overseeing the work and review the independence of the external auditors and reviewing, evaluating and approving the Corporation's internal control procedures. The Charter of the Audit Committee can be viewed in the Corporation's Annual Information Form, available on the SEDAR website at www.sedar.com.

Auditors' Fees

Details with respect to external auditor fees for past services can be found in the section "Audit Committee Information Regarding the Corporation" of the Annual Information Form, which can be viewed on the SEDAR website at www.sedar.com.

Nominating and Governance Committee and Board Diversity Policy

The Corporation Board has a nominating and governance committee (the "Nominating and Governance Committee") comprised of Michel Letellier, James Hardy and Michael Korenberg. The Chairman of the Nominating and Governance Committee is Michel Letellier. Each of Michel Letellier, Michael Korenberg and James Hardy is independent within the meaning of NI 51-102. The principal role of the Nominating and Governance Committee is to identify individuals qualified to become members of the Corporation Board and Corporation Board committees and recommend that the Corporation Board select such persons as nominees for election or appointment to the Corporation Board. In fulfilling its responsibilities to identify individuals qualified to become members of the Corporation Board, the committee considers: (i) the independence of each nominee; (ii) the experience and background of each nominee; (iii) the skill set of each nominee relative to the balance of skills required by the Corporation Board and its committees to meet their respective mandates; (iv) the past performance of directors being considered for re-election; (v) applicable regulatory requirements; and (vi) such other criteria as may be established by the Corporation Board or the Nominating and Governance Committee from time to time.

The Nominating and Governance Committee and the Board also consider the level of representation of women, visible minorities, Indigenous Peoples and persons with disabilities on the Board. On March 22, 2019, the Corporation Board adopted a written policy, as amended in 2020 (the "Board Diversity Policy"), which confirms the commitment of the Corporation to diversity and sets out the process the Board of Directors uses to identify and nominate candidates for director. The Board Diversity Policy states that:

- (a) the Corporation is committed to putting in place a diverse and inclusive culture at the Board level;
- (b) when identifying suitable candidates for appointment to the Corporation Board, the Nominating and Governance Committee will consider candidates based on merit, using objective criteria, including skills, expertise and experience, with due regard to the benefits of diversity, including criteria such as gender, age ethnicity and physical disability; and
- (c) although the Corporation and the Corporation Board have not set a specific target number or percentage of women, visible minorities, Indigenous peoples and persons with disabilities to serve on the Corporation Board, the Nominating and Governance Committee will, as part of its identification and nomination process, include gender, ethnicity and physical disability important diversity criteria for identifying suitable candidates for director.

The Nominating and Governance Committee is responsible for annually reviewing the Board Diversity Policy and assessing its effectiveness in promoting a diverse Board of Directors. Currently, one member of the Corporation Board is a woman and none is a visible minority, Indigenous person or person with a disability.

The Nominating and Governance Committee is also responsible for ensuring that the Corporation develops and implements an effective approach to corporate governance that reflects the somewhat unique nature of the Corporation's business and relationship with KPLP, including monitoring by the Corporation Board of the Corporation's rights in respect of KPLP.

CORPORATE GOVERNANCE OF KPLP

The Corporation's business is limited to its investment in KPLP and related activities. Kruger, as holder of 85.15% of the outstanding units of KPLP, controls KPLP. As a minority unit holder, the Corporation's rights in respect of KPLP are limited and are derived entirely from the Limited Partnership Agreement. The Limited Partnership Agreement establishes the authority of KPGP to manage the ordinary course business of KPLP. Decisions regarding its business outside of the ordinary course, including related party transactions that would reasonably be expected to transfer value to Kruger or its affiliates, are subject to the approval of the Corporation. These veto and other rights of the Corporation under the Limited Partnership Agreement are exercised by the Corporation Board, which is composed of a majority of independent directors.

The Corporation's rights in respect of KPLP are described in the summary of the Limited Partnership Agreement under the section "Material Contracts — Material Contracts of the Corporation — Limited Partnership Agreement" of the Annual Information Form, which section is incorporated by reference herein (and available on the SEDAR website at www.sedar.com).

Independence of KPGP Board

The KPGP Board is comprised of ten directors. In the KPGP Board's view, the following three directors, namely Michael Korenberg, Michel Letellier and James Hardy, who are also directors of the Corporation, are independent directors within the meaning of NI 52-110. The remaining directors of KPGP, namely Joseph Kruger II, David Angel, Dino Bianco, Gene Kruger, Sarah Kruger, David Spraley and Louise Denys Wendling, are not independent within the meaning of NI 52-110 and National Instrument 58-101 — *Disclosure of Corporate Governance Practices* because each of them is or has been an employee of Kruger (or, in the case of Dino Bianco, an employee of KPLP) (or in the case of Louise Denys Wendling is part of the Advisory Board of Kruger) (collectively, the "Non-Independent Directors").

Where conflicts of interest may arise as a result of the association of the Non-Independent Directors (other than Dino Bianco) with Kruger (i.e. where KPLP is considering entering into a related-party transaction (within the meaning of *Regulation 61-101 Respecting the Protection of Minority Security Holders in Special Transactions*) that would reasonably be expected to transfer value to Kruger or its affiliates), the Limited Partnership Agreement requires that the Corporation's approval of the entering into of such transaction be obtained.

Pursuant to the Limited Partnership Agreement, Kruger undertook to exercise the votes attached to all shares of KPGP held by it from time to time in favour of the election as directors of KPGP such individuals as the Corporation is entitled to designate ("Corporation Nominees"). The number of Corporation Nominees on the KPGP Board is currently three (consisting of Michael Korenberg, Michel Letellier, and James Hardy) but will vary depending on the Corporation's proportionate share in KPLP at the time of designation. Pursuant to the Limited Partnership Agreement, the Corporation will only designate individuals who are independent within the meaning of applicable securities law and stock exchange rules and who are directors of the Corporation (unless all directors of the Corporation have already been nominated, in which case other individuals may be nominated).

The independent directors will hold in camera sessions without management present at meetings of the KPGP Board, if considered necessary. Furthermore, pursuant to the Limited Partnership Agreement, certain decisions in respect of KPLP require the approval of the Corporation. Such approval would require a decision of the Corporation Board, on which the independent directors form a majority. At the KPGP committee level, three independent directors serve as members of the KPGP Audit Committee, one independent director serves as a member of the KPGP Compensation Committee and two independent directors serve as members (and constitute a majority) of the KPGP Governance Committee.

For the biographies of each of the directors of KPGP, including a list of each directors reporting issuer board memberships, if applicable, reference is made to the section "Directors and Executive Officers of KPLP" in the Annual Information Form, which section is incorporated by reference herein (and available on the SEDAR website at www.sedar.com).

Mandate of KPGP Board

The KPGP Board is responsible for managing KPGP, which itself is responsible for managing the business of KPLP. The KPGP Board is expected to meet no less than four times annually.

The KPGP Board's mandate includes specific duties and key responsibilities such as:

- adopting a strategic planning process and periodically approve a strategic plan;
- formulating the KPGP Board's expectations of KPLP management;
- identifying and monitoring the main risks faced by KPLP and ensuring appropriate measures and systems are implemented for managing such risks;
- defining the responsibilities of the senior executives and their authority to bind KPGP in its capacity as general partner of KPLP;
- ensuring the integrity of KPLP's internal control and management information systems;
- developing KPGP's approach to corporate governance, including the preparation of a specific set of principles and guidelines;
- considering recommendations of the KPGP Governance Committee regarding, and if appropriate adopt, any revisions corporate policy it considers appropriate and ensuring it is followed;
- identifying decisions that require the pre-approval of the KPGP Board and establishing approval and authorization policies for decisions and contracts binding KPLP;
- preparing and adopting a Code of Business Conduct and Ethics for the directors and officers of KPGP and employees of KPLP, ensuring it is updated regularly and followed, including monitoring and approval of all exemptions, where applicable;
- preparing and approving position descriptions for the Chairman of the KPGP Board and the Chair of each Committee;
- on the recommendation of the KPGP Compensation Committee, establishing and approving a position description for the Chief Executive Officer;
- creating committees of the KPGP Board, establishing their mandate and appointing their members;
- appointing the Chairman of the KPGP Board and the Chairs of each committee of the KPGP Board;
- on a recommendation of the KPGP Compensation Committee, establishing and approving the compensation policies and programs for management, evaluating the performance of the CEO based on the objectives set, and establishing his/her compensation;
- with the assistance of the KPGP Audit Committee, ensuring compliance with accounting standards, as well as the integrity and adequacy of financial reporting;
- on a recommendation of the KPGP Audit Committee, approving the financial results of KPLP;
- determining the appropriateness of declaring, and declare, where applicable, the payment of distributions to the unit holders;

- approving the charters and by-laws as well as any amendments to these documents;
- approving operating and capital budgets of KPLP;
- approving the acquisition or sale of major assets and any other important transaction involving KPLP, its property and its rights or its obligations;
- approving any major reorganization or downsizing of KPLP;
- approving the purchase, redemption or any other form of acquisition of the securities of KPLP and approving the related reporting process; and
- approving the form and content of the certificates evidencing the securities of KPGP.

Position Descriptions

The Chair of the Board of Directors

The Chairman of the KPGP Board is Joseph Kruger II, who is not an independent director within the meaning of NI 52-110. The Chairman of the Board assumes principal responsibility for the operation and functioning of the Board. The KPGP Board has adopted a written position description for the Chairman of the Board which sets out the Chair's key responsibilities, including consulting with the KPGP Board to set board agendas; chairing KPGP Board meetings; ensuring compliance with the governance policies of the KPGP Board regarding conduct of KPGP Board meetings; facilitating and encouraging open and effective communication and relationships between (i) the management of KPGP and the KPGP Board, and (ii) KPGP and shareholders, stakeholders and the general public; and reviewing and evaluating the performance of the KPGP Board as a whole at least annually.

The CEO

Dino Bianco is KPLP's CEO. The primary functions of the chief executive officer are to lead the management of KPLP's business and affairs and to lead the implementation of the resolutions and the policies of the KPGP Board. The KPGP Board has developed a written position description for the CEO which sets out the CEO's key responsibilities, including duties relating to leadership, community, sustainable business practices; social responsibility; ethics and integrity; health, safety and environment; governance; disclosure; strategic planning; business management; risk management; organizational effectiveness/succession; and CEO performance. The CEO mandate will be considered by the KPGP Board annually.

Orientation and Continuing Education

The KPGP Board ensures that prospective candidates for KPGP Board membership understand the roles of the KPGP Board and KPGP Board committees and the contribution that individual directors are expected to make.

Nomination of Directors of KPGP

As the Corporation nominates the independent directors of the KPGP Board pursuant to the Limited Partnership Agreement, KPGP does not have a nominating committee. There is, however, a nominating committee at the Corporation level. See "Corporate Governance of the Corporation — Nominating and Governance Committee".

Diversity

KPGP will generally consider gender diversity on the board as one factor amongst many in identifying appropriate nominees. The KPGP Board has not adopted a board diversity policy or adopted a target for the representation of women, visible minorities, Indigenous peoples or persons with disabilities on the KPGP Board because it believes that appointments to the board should be made, and be perceived as being made, on the basis of the merits of the individual and the skills and experience he or she will bring to the Board. Currently there are two

women on the KPGP Board. In 2019, KPLP developed its Diversity and Inclusion strategy and rolled out a Diversity & Inclusion awareness program to all salaried employees called the Power of Differences.

Term Limits

KPGP does not set specific term limits or a mandatory retirement age for KPGP Board members. The current composition of the board balances a depth of institutional experience and fresh perspectives. KPGP believes that the ability to find this appropriate balance could be undermined if a mandatory retirement age was imposed. The Corporation will monitor the need for adopting such policies going forward, but does not believe that imposing term limits or a mandatory retirement age on its members is currently necessary or appropriate.

Diversity at the Level of Executive Officers

KPLP recognizes the importance of having a diversity of skills and experience amongst executive officers. KPLP will generally consider gender diversity at the executive officer level as one factor amongst many in identifying appropriate candidates. KPLP has not adopted specific targets regarding women, visible minorities, Indigenous peoples or persons with disabilities in executive officer positions because it believes that appointments should be made, and be perceived as being made, on the basis of the merits of the individual and the skills and experience he or she will bring to KPLP. 20% (two out of ten) of KPLP's executive officers are women and none is a visible minority, Indigenous person or a person with a disability.

Audit Committee

The KPGP audit committee (the "KPGP Audit Committee") is comprised of James Hardy (Chairman), Michael Korenberg and Michel Letellier. Each of Michael Korenberg, Michel Letellier, and James Hardy is financially literate and independent within the meaning of NI 51-102. See "Nominees for Election to the Board of Directors — Biographies" for a brief summary of the education and experience of KPGP Audit Committee member that is relevant to his performance as a member of the KPGP Audit Committee.

The KPGP Board has adopted a written charter for the KPGP Audit Committee (the "Charter of the KPGP Audit Committee") which sets out the KPGP Audit Committee's responsibility in reviewing the financial statements of KPLP and reporting on such review to the KPGP Board, overseeing the work and review the independence of the external auditors and reviewing, evaluating and approving the Corporation's internal control procedures. The Charter of the KPGP Audit Committee is substantially the same as the Charter of the Corporation Audit Committee, which can be viewed in the Corporation's Annual Information Form, available on the SEDAR website at www.sedar.com. The KPGP Audit Committee meets at least four times annually to fulfill its mandate.

Auditors' Fees

Details with respect to external auditor fees for past services can be found in the section "Audit Committee Information Regarding KPLP" of the Annual Information Form, which can be viewed on the SEDAR website at www.sedar.com.

Compensation Committee

Information relating to the KPGP Compensation Committee can be found in the Section above entitled "Executive Compensation Discussion and Analysis — Compensation Committee".

Corporate Governance Committee

The corporate governance committee of KPGP (the "KPGP Governance Committee") is composed of Gene Kruger (Chairman), James Hardy and Michael Korenberg. Each of James Hardy and Michael Korenberg is an independent director. The Limited Partnership Agreement provides that the KPGP Governance Committee shall be a three member committee composed of at least two independent directors including at least one Corporation Nominee.

The KPGP Governance Committee ensures that KPLP develops and implements an effective and efficient approach to corporate governance that enables the business and affairs of KPLP to be carried out, directed and managed with the objective of enhancing unit holder value. Its mandate includes the development of the KPGP Code of Conduct and monitoring compliance with the KPGP Code of Conduct. The KPGP Governance Committee has adopted a written charter describing the mandate of such committee.

Board Attendance

The KPGP Board met four times in Fiscal 2019 and each KPGP director was in attendance at each meeting, other than at the March 6, 2019 which David Angel was unable to attend and the November 6, 2019 meeting which Louise Denys Wendling was unable to attend.

OTHER BUSINESS

Management is not aware of any matter intended to come before the Meeting other than those items of business set forth in the attached Notice of Meeting. If any other matters properly come before the Meeting, it is the intention of the persons named in the form of proxy to vote in respect of those matters in accordance with their judgment.
